Mr. Henry Lang, Superintendent of Maintenance

The Ritenour School District will miss the services of Mr. Henry Lang, Superintendent of Maintenance. Mr. Lang is retiring after serving the district for thirty-five years. He was a member of the Board of Education and served as Treasurer of the Board for fifteen years. He has been Superintendent of Grounds and Maintenance for eighteen years. The *Melaureus* staff would like to show its appreciation of Mr. Lang by dedicating the 1967 yearbook to him.

Mr. Lang has always been a disciple of untiring efforts and loyal devotion to the school district. He believed that everyone should adhere to high standards of performance and he never forgot to set an example. His many years of service are appreciated by those whose privilege it has been to work with him.—Wendell Evans, Superintendent

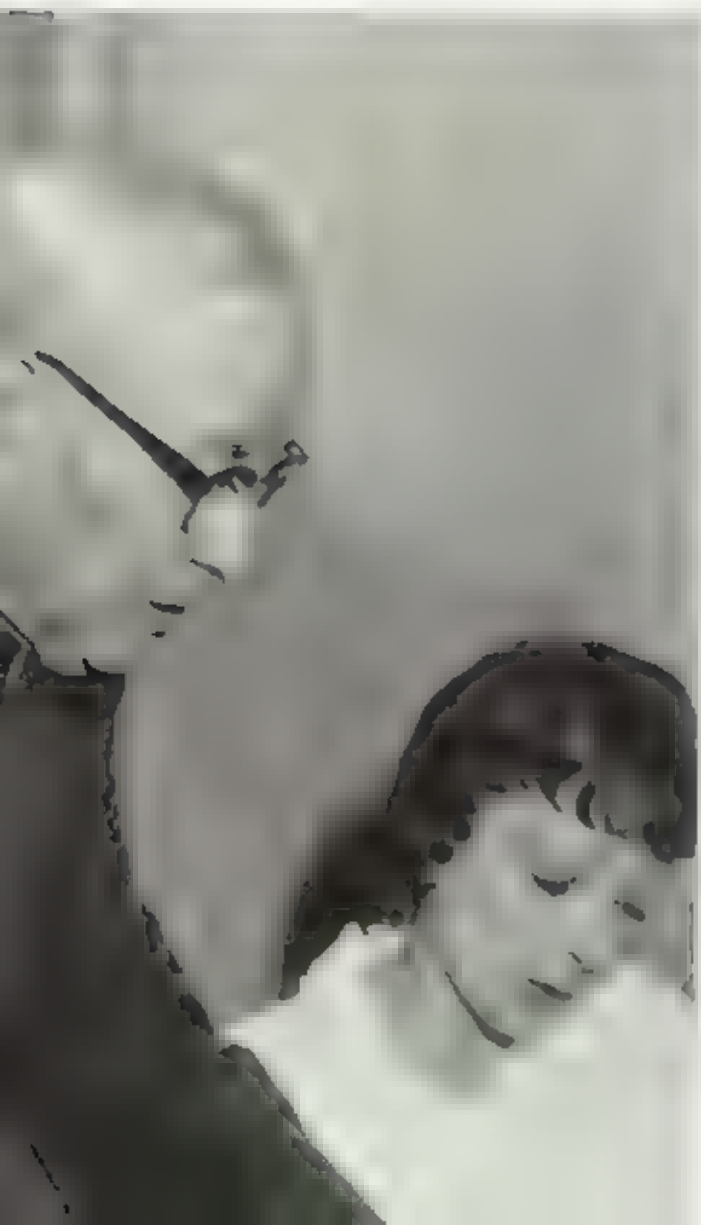

“Since I have been in the Ritenour School District, Mr. Lang has been one of the main gears in the machinery that made the district function. I think of Mr. Lang and the Ritenour District as being inseparable. It has been a pleasure for me to know him, work with him, and call him ‘friend’.

The things that he has done for the district are so obvious that he will always be a part of this school system.”—J. A. Painter, Assistant Superintendent

Few people have served the Ritenour District as long and as faithfully as Mr. Lang, who was a member of the Board of Education for seventeen years before being appointed director of buildings and grounds in July, 1949. His contributions have been many and they have not gone unnoticed.

G. F. Chapman, Principal

Mr. Lang’s contributions to Ritenour Schools, athletic endeavors and his dedicated determination to get the job done and do it right will be remembered always.”—John Moore, Director of Athletics

*Students show interest
in school activities.*

Although a school is a place for learning, activities also play an important part in the development of every student. This is the place where the students, not the teachers, shine. It is to Rutenour's credit that its student body supports cultural, athletic and just plain fun activities enthusiastically.

Taking notes during discussion

Students Council represents students in school government.

Students can discuss their problems in Student Council. The Council acts as a mediator between the students and the administration. Another important function of the Student Council is school government. It charters clubs and is responsible for many school activities.
